### Budgeting Worksheets

Budgeting is a daily part of life once a job exists or bills start coming in. Fortunately there are many budgeting apps to choose from to assist with this life chore. Look into the following apps, pick three and describe the pros and cons for each. Ultimately I want you to choose the app you would use tomorrow if you had to pick one.

Goodbudget

Mint

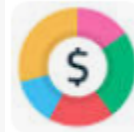

EveryDollar

Spending Tracker

**YNAB.**

Spendee

Daily Budget Original

Monefy
