

Chapter 7 Rational Expressions Vocabulary List

7.1

Rational expression

Rational function

Undefined

Simplify

Fundamental Principle of Rational Expressions

Common factors

7.2

Multiplying Rational Expressions

Dividing Rational Expressions

Converting between units

7.3

Adding Rational Expressions

Subtracting Rational Expressions

Unlike denominators

Least Common Denominator (LCD)

Equivalent

7.5

Solving

Domain restriction

7.6

Proportion

Cross products

Similar triangles

Distance

7.7

Complex rational expression

Complex fraction
