Dont be afraid to make mistakes. **EVERYONE MAKES MISTAKES.** These people learned from their mistakes and practiced SO MUCH!
Stick with me and you will be successful!

Norms

- Everyone can learn math.
 - > There are no "math" people.
- Questions are important.
 - > If you can ask a question you can relate to it.
- Math is about communication.
 - > Math is the universal language.
- Mistakes are valuable.
 - > Mistakes make your brain grow.

I believe in YOU!

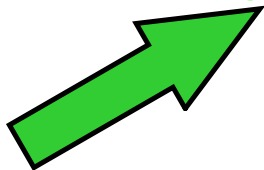

Grade Weighting

Test/ Quiz

Worksheet/Learning Activity/Daily

10%

EVERYTHING ELSE

TESTS

Expectations:

- Come to class prepared, ready to participate, and work hard and you will be successful! Mistakes create the best learning opportunity!
- You will NOT have your Chromebooks out unless we are doing an activity using it and your phone will go up in the shoe caddy everyday at the beginning of the period in your assigned calculator number spot. (Your grade will benefit from this.)
- If you leave calculators out on the tables instead of putting them up I will lock them up and you lose them like athletes lose eligibility.
- Note taking will be done with paper and pencil.
- Show all work to earn full credit. Your work should flow so it is easy to follow. Top to bottom or left to right.
- NEVER leave Multiple Choice questions BLANK.
- Put things back where they belong when you are done: books, calcs, pencil, etc. When you borrow a pencil you will leave a show to help you remember to turn it back in before you leave.
- If the bathroom pass is here you may go, YOU MUST TAKE A PASS TO LEAVE! Try to be respectful and remember anything you miss while out is still your responsibility. Be sure to fill the pass out properly. **You cannot leave while taking an assessment.**
- No CHEATING!! A zero will be given automatically without warning, and on an assessment an opportunity for an alternative assignment with a highest 65, parent contact, and office referral will happen! This includes someone cheating off of you. Cover your papers with the privacy folder. This also takes one of your three retests allowed per semester.

Tutoring:

Remember I want to help. So use the videos online if we cannot arrange a time that works for both of us, but please let me know when you want to meet and I will try to be available!

Tardies and Absences

Tardies: I follow school policy!

Absences:

- EXCUSED: You get the number of days +1 to complete any work missed.
- UNEXCUSED: you lose all opportunity. Make every effort to be present!

Supplies

Everyone needs a 3 inch 3 ring binder,
& box of tissues please.

Chromebooks Policy

"45" degrees vs "90" degrees!

Make sure it is charged!

Requizing Policy

- Students may requiz for a grade of no higher than 70 up to twice a semester.
- It is **EXPECTED** you correct your original quiz on the proper sheet of paper and bring that with you when you requiz.
- Requiz must be done before/after school or during WIN time. **NOT** during class.
- **No** retakes on HW/daily or test grades.
- I will give you a **deadline** for your requiz!
